# Astana Intelligent Liquid Cooling solar container battery Cabinet

The battery cabinet adopts a modular design and can be flexibly expanded; it is compatible with 320Ah large battery cell design and has higher energy density, and a single cabinet can be expanded to 393kWh; safety designs ...

Shenzhen Bullcube Energy Technology Co., LTDAdopting the design concept of "ALL in one", the long-life battery, battery management system BMS, high-performance ...

Other attributes Place of Origin China Battery Type Lithium Ion Brand Name TSTYNICE Model Number TSTY-215KWh Dimension (L\*W\*H) 1325x1306x2315mm Weight 2500KG ...

The liquid-cooled energy storage box features efficient heat dissipation, energy conservation and environmental protection, compact design, intelligent control, safety and reliability, wide applicability, low noise and ...

Vericom energy storage cabinet adopts All-in-one design, integrated container, refrigeration system, battery module, PCS, fire protection, environmental monitoring, etc., modular design, with the ...

Vericom energy storage cabinet adopts All-in-one design, integrated container, refrigeration system, battery module, PCS, fire protection, environmental monitoring, etc., ...

The liquid-cooled energy storage box features efficient heat dissipation, energy conservation and environmental protection, compact design, intelligent control, safety and reliability, wide ...

Shenzhen Bullcube Energy Technology Co., LTDAdopting the design concept of "ALL in one", the long-life battery, battery management system BMS, high-performance converter system PCS, active fire ...
