## Four 550-watt solar panels

Hi people. this time I'm trying to figure out how to pronounce the years. For instance: 2001, 2004. Two thousand and four or just Two thousand?

For the example of "a table and four chairs", I agree with Forero (and with all his other examples): it's "There are a table and four chairs". Here, "there is" doesn't work, because ...

A chaise is a type of closed carriage seating up to three people. The "Four" refers to the number of horses pulling the carriage. However, most chaises only had two horses pulling ...

Which helping verb should be used in these sentences. This is really confusing. Two and two (is/are) four. Two plus two (is/are) four. Two fives (is/are) ten. Two times five ...

There has been several contradiction and opinions for below given statement. Two and Two makes or make four. Which would be correct?

Where did you come across the phrase "using at least four carbons on my electric IBM",  
Please tell us the source, and give us some context, including the complete ...

Hello, I have one question/problem: Lyric of song King of the Road: Ah but, two hours of pushin' broom (I understand, it = sweeping) buys an eight by...

If you are not, and the people you are speaking to might think "by four times" means to add an amount that is 4 times the base amount (making the new total five times the ...
