## India's first new grid-side energy storage project

Is Indigrid launching a battery energy storage system in Gujarat?

IndiGrid has kicked off one of India's first large-scale utility Battery Energy Storage System (BESS) projects in Gujarat, with a signed purchase agreement already in place with the state utility GUVNL.

Are battery energy storage systems the future of energy in India?

Harsh Shah, Managing Director, IndiGrid, said, "Battery Energy Storage Systems are central to the future of energy in India. They bridge the intermittency of renewables, reduce fossil fuel dependency, and unlock flexible, reliable power delivery."

What is IFC & Indigrid doing in Gujarat?

New Delhi/Mumbai, 02 July 2025 - To further strengthen India's renewable energy infrastructure, IFC and IndiGrid [BSE: 540565|NSE: INDIGRID] have partnered to develop a 180 MW/360 MWh standalone battery energy storage system project in Gujarat.

How many power projects does Indigrid own?

It owns 43 power projects, consisting of 53 transmission lines with more than ~9,336 km length, 16 substations with ~25,050 MVA transformation capacity, ~1.15 GWAC (~1.5 GWp) of solar generation capacity, and 450 MW / 900 MWh of Battery Energy Storage Systems. IndiGrid has assets under management (AUM) of over ~INR 319 billion (~USD 3.7 billion).

AmpereHour Energy, in partnership with Indigrid and BRPL, delivers a pioneering 20 MW / 40 MWh BESS in South Delhi, enhancing grid reliability, cutting emissions, and ...

The 20 MW/40 MWh BESS project is India's first utility-scale standalone battery energy storage system and demonstrates IndiGrid's commitment to investing in clean energy ...

New Delhi/Mumbai, 02 July 2025 - To further strengthen India's renewable energy infrastructure, IFC and IndiGrid [BSE: 540565|NSE: INDIGRID] have partnered to develop a 180 MW/360 MWh standalone ...

IndiGrid, India's first publicly listed power sector Infrastructure Investment Trust, and International Finance Corp. (IFC), a member of the World Bank Group, have partnered to develop a 180 MW/360 MWh ...

New Delhi/Mumbai, 02 July 2025 - To further strengthen India's renewable energy infrastructure, IFC and IndiGrid [BSE: 540565|NSE: INDIGRID] have partnered to develop a ...

NEW DELHI | 8 May, 2025 -- The GEAPP Leadership Council (GLC) today officially announced the launch of India's first utility-scale, standalone Battery Energy Storage System (BESS) project, the largest of its kind in South ...
