Where to buy solar inverter in China?

Delixi Group - China professional solar inverter manufacturers and suppliers. Our factory offers the best customized solar inverter made in China as well as wholesale service. All products are with stable quality and competitive price.

How much does a solar inverter cost?

The solar inverter may operate as a battery inverter for Luna2000 instead of functioning as a solar inverter. This approach will require an additional cost for an inverter and additional installation work. The cost will likely be over \$2,000. However, this kind of installation approach is uncommon in Australia.
