## Mobile energy storage container for drilling sites 120kW

What is a containerized battery energy storage system?

Our's Containerized Battery Energy Storage Systems (BESS) offer a streamlined, modular approach to energy storage. Packaged in ISO-certified containers, our Containerized BESS are quickly deployable, reducing installation time and minimizing disruption.

Why should you choose a modular solar power container?

Go big with our modular design for easy additional solar power capacity. Customize your container according to various configurations, power outputs, and storage capacity according to your needs. Lower your environmental impact and achieve sustainability objectives by using clean, renewable solar energy.

Who is LZY energy storage?

Founded in 2012 Shanghai LZY Energy Storage Co., Ltd., based in Shanghai, China, is a comprehensive enterprise integrating R&D, production, and sales, specializing in industrial manufacturing and energy storage solutions. LZY container specializes in foldable PV container systems, combining R&D, smart manufacturing, and global sales.
