
Roof orientation and solar panel installation

Gente, necesito saber que es y como se traduce un "cap flashing" respecto a algo que se pone en un techo. El contexto que tengo es para proteger techos de edificios ante las ...

Roof refers to the whole structure, not just the top surface. So yes, if you are on the rooftop, you are on the roof. No, they are not (always) interchangeable. For example, "Some of ...

No, a roof terrace isn't always (on) the actual roof of a building even when the building is flat roofed. Our apartment block has two penthouses on the top floor of the building. ...

The textbook Common mistakes at Proficiency by Julie Moore, Cambridge University Press, lesson 13, page 25 says that the plural of roof is rooves. This is also ...

"Paying through the roof" is not a common phrase - in fact, I have never heard it before. "Prices going through the roof" is common. "Paying through the nose" means much the ...

1. The plural of roof is roofs or rooves. "Rooves" is an older form of the word and rarely used these days. Australian children right up to the 1980s, for example, were brought up with the word ...

NEW QUESTION Hi! I too have a doubt about the use of these terms: attic, garret, loft. What term would you rather use to describe the (small) space found directly below the ...

1 gable and hip roof gable and hip roof with single eave gable and hip roof with double eaves gable and hip roof with ...
