
Solar glass greenhouse in Johannesburg South Africa

Who are South Africa's most trusted solar solutions providers?

South Africa's most trusted solar solutions provider. Victron Energy Authorised Installer | Tesla Energy Certified Installer | Sigenergy Certified Service Partner

Who is GreenHouse?

GreenHouse is the authority in residential and C&I solar. We design, install and support complete systems that work. With 15 years in the field, we specify only proven technologies we trust. Every project is engineered around your site and goals. No one size fits all. Just expert solutions that deliver. Why choose GreenHouse? Tested. Trusted.

Who makes multispan greenhouses?

We offer multispan greenhouses designed and manufactured by Richel, France, who are the largest exporter of polyethylene clad greenhouses in the world. Richel delivers 350 hectares of greenhouses a year, over 500 projects, to more than 80 countries. Greener Solutions are the local agents for Richel in the SADC region.

What does GreenHouse do?

We do everything "the GreenHouse way" - whether we're chatting through product options with clients or doing installations, we ensure everyone who interacts with us gets the best possible service. We're changing the lives of households and SMEs, and enjoying every minute of it. Our solution-oriented team is driven by the following values:
