# Tenderer for Kuala Lumpur 5G Communication Green Base Station Construction Project

The tenderer beef is, the more expensive it is in Japan. Does this sound natural?

bid (or bidding)? ??? Bid is the noun of bidding. "We should bid on this new car." Bidding is the verb. "Did you see how many people were bidding on the car?"|@keitabo those ...

Tender?????Q& ATender????????????????218????????????????????????????????

daijoubu is also used in the above situation, but we native speakers feel that daijoubu has gentler and tenderer nuance than kekkou. We feel kekkou has a nuance of intensely or clearly rejection.

more tender|technically, &quot;more tender&quot; is grammatically correct. however words like &quot;tenderer&quot; are growing in everyday conversation. just don't go using it in work/academic documents:-)|More tender

Synonym for tender Tender is the application stage, to apply for a contract. To be awarded onto the contract, if it's over a certain monetary value, it needs to go through the formal tendering ...

&quot;Fluent&quot;has two vowels. Most of the comparatives of adjectives with more than one vowel don't end with &quot;er&quot; in English. (There are always exceptions) fast faster soon sooner quick quicker ...

Dong nghĩa voi bid (or bidding) Bid is the noun of bidding. "We should bid on this new car." Bidding is the verb. "Did you see how many people were bidding on the car?"|@keitabo those ...
