
The longest operating energy storage power station

Hello, I was wondering if we can say that, "Bread has a long expiration date" or does only "long shelf life" work in this context?

Thanks for the input. How about "at most" vs. "at the most"? e.g. at most: The beach is ten miles away from here at most. at the most: The beach is ten miles away from ...

Hello to all, I see that there are more translations for: Long - mucho Long - largo How can I say in common: long, longer, the longest. Or: young, younger, the youngest? Thank ...

Hello everyone, I've been looking for a word to say "member who has been in a group (Supreme Court, organization, order, etc) the longest time." In Portuguese there is such ...

The kid's longest picture span stimulus will thus be three (the longest stimulus card that the kid responds to with a perfect score). But let us also say that the kid later correctly ...
